Neighborhood Block Party

Meet Your Neighbors & Get Involved in Your Community

If you would like to have a Neighborhood Block Party, we can help!

THE CITY OF SUNRISE CAN ASSIST YOU WITH:

- Flyers you can distribute to your neighbors
- Fire Department personnel to stop by with fire engines and EMS vehicles*
- Coloring books and other giveaways for children
- Police Patrol Units and K9 Patrol give demonstrations*
- Bicycle registration and fingerprint kids for safety

**Attendance of emergency personnel depends upon availability*

TIPS FOR A SUCCESSFUL BLOCK PARTY:

- Make sure the entire block knows the time and date of the event
- Have all neighbors sign an acknowledgement that they are aware and agree to the street closing for the party
- Limit the time of the Block Party to no longer than 4 (four) daylight hours
- Do not use large items (or park cars) to block the roadway. Emergency vehicles need to have easy access should the need arise. (The Police Department will provide you with cones.)
- Limit the availability of alcoholic beverages
- Have a contact person for the neighbors, police and city officials
- Take precautions to avoid injuries to all

Please plan your event a few weeks in advance to allow us to help you with planning, scheduling and obtaining permission to close your street.
