

# Neighborhood Block Party

Meet Your Neighbors & Get Involved in Your Community

**If you would like to have a Neighborhood Block Party, we can help!**

**The City of Sunrise can assist you with:\***

- Coloring books and giveaways for children
- Child fingerprinting for safety
- Police Patrol Units and K9 Patrol demonstrations
- Visits from Fire-Rescue personnel with fire engines and EMS vehicles

*\*Minimum attendance of 25 required for Police/Fire-Rescue participation.  
Staffing resources are limited on holidays and during City events.  
Attendance of emergency personnel based on availability.*

## TIPS FOR A SUCCESSFUL BLOCK PARTY:

- Make sure the entire block knows the time and date of the event
- Have all neighbors sign an acknowledgement that they are aware of and agree to the street closing
- Limit the time of the Block Party to no longer than four (4) daylight hours
- Do not use parked cars or other large items to block the roadway. Emergency vehicles must have easy access should the need arise. (The Police Department will provide you with cones.)
- Limit the availability of alcoholic beverages
- Have a contact person for the neighbors, police and city officials
- Take precautions to avoid injuries to all

To get started - and find out if you can close your street to traffic during your Block Party - call the Sunrise Police Department's Office of Community Policing at (954) 746-3383.

*Contact us a few weeks in advance of your event so we can help with planning, scheduling, and obtaining permission to close your street.*
